

Ted Outerbridge Time Capsule Tour **February 24, 8pm**

“The most successful professional stage musician in Canada.” ~ The Montreal Gazette

COQUITLAM – (Feb. 8, 2012) From the minds of Canada’s most popular touring illusionists—and recipients of the BC Touring Council’s 2010 *Touring Artist of the Year Award*—comes a brand new and extremely exciting show: **Outerbridge: The Time Capsule Tour**.

Over the years, Ted and Marion Outerbridge have performed regularly throughout the Lower Mainland. They make their Coquitlam debut on February 24th with this new show that takes the art of illusion to new heights. Combining dance, theatre and day-to-day life events, the results are so memorable you will want to put them in a time capsule!

One of the highlights of the Time Capsule Tour is the prediction of the contents of a time capsule. Matter of fact, the locked up, silver chest was shipped to Evergreen months ago and is now displayed in the lobby. On the evening of the performance, randomly-selected audience members decide what items the time capsule should contain. When the chest is brought in from the lobby and opened... well you can only guess!

The Outerbridges’ world-class illusion shows have played to sold out houses and standing ovations across Canada and Europe. They have received accolades for their originality, solid track record and pure magical entertainment. Their talent is truly amazing!

Don’t miss this masterfully orchestrated, high-energy magical adventure, in the Studio Theatre at the Evergreen Cultural Centre. Tickets are \$10 - \$35 and are available at the Box Office 604-927-6555 or online www.evergreenculturalcentre.ca . Buy early as they are sure to be snapped up!
